Dear Dr. Mitchell:

Thank you for allowing Herald of Truth to tell a little about her history and present activity during the recent Midwest Meeting of the National Religious Broadcasters. The opportunity to be with you again was a distinct pleasure. I thought that the Midwest Chapter program was one of the most stimulating ones I have participated in in recent years. Your involvement in it and the planning of the program must receive a major part of the commendation.

Thank you again for inviting us to share something of the blessings God has given us in our Herald of Truth Radio and Television ministry.

Sincerely yours,

John Allen Chalk

Dear Rev. Chalk:

Your letter of August 27th, addressed to Mr. Don Lyon, Rockford, Illinois, was forwarded to Dr. Mitchell for reply; since he is out of town for some time, I have looked over the correspondence and will try to answer your questions.

You are correct in that you are to be the speaker at the Monday afternoon session of the Mid-West Chapter of National Religious Broadcasters, speaking on "Radio and Television and the Abilene Church of Christ". In a letter to Marvin Steffins Jr. in March, Dr. Mitchell said, "we had thought it would be interesting to our men to know how the Abilene Church of Christ television and radio work got started and how they have been able to enlarge their endeavor to the extent they have reached today. I am sure it must be a very thrilling story". From your letter I think you have the correct idea of what Dr. Mitchell had in mind when he requested this.

Dr. Mitchell will notify the one who makes up the programs to get the correction made so that Dr. Baxter will be listed as the speaker at the breakfast meeting on Tuesday, October 14th. Thank you for calling this to our attention.

May the Lord richly bless you in your ministry.

Sincerely yours,
